Dear Sir,

I am in receipt of your letter of the 17th instant, regarding your son who is a prisoner in Germany. You are quite correct in stating that you are not allowed to send him parcels. It is possible, however, to send money, the amount not to exceed two shillings per week. This might be done through the Pay and Record Office, London, who would forward the amount to him, charging the same to his pay and, if you desire this to be done and will let me know, I shall wire Major Timewell, giving him the authority to transmit the amount per week, making charge of the same against your boy's account.

I would be very grateful if you would kindly send me some cigarettes as it is very seldom that we find it possible to purchase English cigs. around here and hoping that I am not putting you to any inconvenience in doing so. I would like to get some N.F.L.D. papers and if you could send any I would be very thankful. as we have not seen a home paper for nearly twelve months. I may mention that there are six of our boys in this place and all of us are enjoying the best of health and quite pleased with our surroundings as it is quite a change from what we have gone through. Hoping this will meet with your kind attention. Wishing you the compliments of the season.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

(i.) Service during the present war; *Yes*

(ii.) Climate; *Yes*

(iii.) Ordinary military service; *—*

(iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or *—*

(v.) Whether it is constitutional or hereditary. *—*

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? *YSW*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which? *—*

23. Is the disability permanent? *No*

24. If not permanent, how soon do the Board recommend re-examination? *Six months*

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

Degrees of disablement should be expressed in the following percentages:— 100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

26. If an operation was advised and declined, was the refusal unreasonable? *30*

27. Do the Board recommend— *vide 16.*

(a) Discharge as permanently unfit, or *Yes*

(b) Change to England? *—*

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a— *—*

(a) Sanatorium; *Yes OP for massage*

(b) Hospital; *—*

(c) Convalescent home; *—*

(d) Asylum; or *—*

(e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended. *—*
