- 4. Name WHELAN, MICHAEL
- 5. Age last birthday 21

8. Disability.

Mental Deficiency = Mania.
144(a) 145.

Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

- 9. Date of origin of disability.
- 10. Place of origin of disability.

Official history dates from May 1914.
Ayr, Scotland.

- 11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

27.5.14. Admitted to Military Hospital Ayr diagnosed Acute Mania with delusions. He stated he had been drinking for 3 weeks. History of Enteric & Dysentery February 1916, and of g.s.w. back, g.s.w. left thigh, and g.s.w. right thigh. October 1916.

31.5.14. Transferred to this hospital. Was confused, would not speak, was wilfully stupid, only answering if he thought anything was to be gained.

- 12. (a) Give your opinion as to the causation of the disability.
- (b) If you consider it to have been caused by active service, climate, or ordinary military service, explain the specific conditions to which you attribute it (See notes on page 3).

Congenital.
Not so caused.

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

He looks defective and degenerate. He is generally surly, brooding, silent and resistive, but at times has attacks of impulsive violence when he attacks orderlies & other patients & struggles violently when restrained. After an attack subsides into a passive condition, groans, trembles, pretends to be hurt & froths at the mouth. He has had no fits here and no history of epilepsy can be elicited.

19. Do you recommend

- (a) Discharge as permanently unfit, or
- (b) Change to England?

(a) Yes. Discharge as permanently unfit.

I have satisfied myself of the general accuracy of this report, and concur therewith,

* Loss of teeth on, or immediately after, active service, should be attributed thereto, unless there is evidence that it is due to some other cause.

† Delete this word if no exceptions are to be made.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalidated, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

- (ii.) Expressions such as "may," "might," "probably," &c., should be avoided.
- (iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1166, Pay Warrant, 1913.)
- (iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.
- (v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

Total incapacity

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, or total incapacity.

Descriptive Return of a Soldier discharged on account of Disability.

INSTRUCTIONS.—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Commissioners of Chelsea Hospital.

Statement A should be completed in the Hospital at which the man is attending at the time of his examination by a Medical Board, and the soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Officer i/c Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Royal Hospital, Chelsea, London, S.W.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

432 Pte. M. Whelan,
1st Newfoundland R.

Will you please state the present condition of this Man, and say if he has been boarded under A.F.B. 179, and if he will soon be fit for repatriation?

I have to report that the above man is mentally deficient and in addition unsettled, irritable and impulsive. He will never be fit for Military Service again and I will be glad to know if this man can be Boarded with a view to returning to Newfoundland. He would require continual supervision and control during the voyage.
