Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

NOTES:—

- (a) This report is solely concerned with Pensions.
(b) A single copy only is required.
(c) "Aggravated" being now a technical term, carrying right to pension, discrimination in its use is essential.
(d) Be as brief as possible compatible with lucidity.
(e) Avoid dubiety—"perhaps" "possibly" "might" and the like.
(f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

This case has been thoroughly scrutinized and it is found that the condition of D.A.N. has completely disappeared in 1920. Then, during the subsequent twelve years when he had general Medical Boards his heart was perfectly regular and showed 'Nil' disability. It is considered that no subsequent disability is attributable to War Service.

Dear Sir:

The bearer of this letter
desires to interview you ^{Personally}
in order to solicit ^{your services on} a very impor-
-tant matter which he will
explain to your satisfaction

in order "however" that the
matter receive every elucidation
possible he has requested me to
insert a few details in this
introduction touching the sad
circumstances which compels him
to seek your aid

it must not be considered
that the circumstances which
necessitate this step brands the
applicant as an Eleemosynary,
the writer who is living in the
same neighbourhood can testify

to the effect that the beaver has
always maintained his family's
independence until fate decreed
otherwise he became afflicted
with an excruciating malady in
the legs which rendered him
incapacitated and "consequently"
the happiness comfort and every
thing else which characterized the
home gave place to a pitiable state
of mendicity that can be better
~~imagined~~ than described
while these conditions continued to
exist a star of hope which promised
to elevate somewhat the unfortunate
circumstances dropped from the
unknown when the beaver
received from the militia depart-
-ment an application ^{form} with
which to claim a separation
allowance having answered to
best of his knowledge all the

questions which it contained
he immediately sent it back
joyfully anticipating that it
would bear fruit but he was
doomed to disappointment for
soon after he received the information
that he was not entitled to any
consideration at their hands
and this is what he particularly
wishes to know why his case was
^{not} considered for any information
Regarding the physical condition
of the beaver I refer you to Dr.
Knight who is at present watching
for a vacant cot in the Hospital
when he will enter for treatment
in addition to this the beaver
has a hard family to support
the oldest being unable to work
which means that the entire
family is incapable of assisting
in any way you will undoubtedly

get a better Idea of his Circumstances
by questing him when you finish reading
This In Conclusion it might be
Stated that when the cry of
the motherland went out to her
far flung dominions the beaver
was one of those who so
magnanimously contributed
their all to the Nations cause
and bravely bore the trying ordeal
of seeing his three Sons Rank
with those who in that time
of need went forth to uphold
the Nations honor and preserve
the sacred liberty of their Country
any futher details you desire to
know Concerning the object of his
Visit will be gladly given by
the beaver,
